11th symposium on intensive care
Concertgebouw • Brugge • Belgium

Dear colleagues,

We are happy to invite you to the 11th International symposium on intensive care, to be held in Brugge on the 6th October 2018. We hope to welcome critical care physicians, anesthesiologists, emergency doctors and fellows with an interest in critical care issues to enjoy the outstanding scientific quality of the program and the historic merits of Brugge. The conference will offer a 2018 update in the main fields of CCI presented by world's leading experts.

Looking forward to seeing you in Brugge,
the organizing committee.
